

Kent Girls Elite FC

Covid-19

Additional Club rules for Covid-19 compliance at training sessions and home matches for players, parents, carers and spectators.

(These rules are supplementary to any guidance / requirements from H.M. Government or the FA).

- **Please complete the FA self-screen checklist before all training sessions and matches.** If you answer Yes to any question or are in any doubt, please **DO NOT** attend the training or match. **Nothing is more important than the safety of all.**
- Players shall bring their own water bottles and hand sanitiser.
- Please keep the number of adults and children accompanying each player to a minimum where possible.
- Pets should be kept away from training or matches, or if this is not possible, kept away from the playing / training areas to avoid attracting attention.
- Smoking and vaping are not permitted at training or matches.
- **Coaches are responsible once players enter the training or playing areas.**
- Other than as directed by the Coaches please do not handle any equipment / kit that does not belong to you. This includes retrieving footballs, putting up / taking down nets, collecting in cones and the like.
- **Bibs and kit must not be shared** and must be either returned to the coach or taken home (as directed by the Coach) and washed after each use.
- Bags, clothing, or any other items should only be handled by either the player those items belong to or their parent/carer.
- Player attendance at training and matches will be controlled - through temperature checks (Thermoscan) and hand sanitiser.
- Adults and family members must not enter the training or playing areas.
- **Please raise any concerns immediately to the Committee, Covid Officers (Max Eaglestone & Kevin Elsley) or the Coaches.**
